INSTRUCTORS (I2 FACULTY)**

**25th Annual Hawaii National Great Teachers Seminar
August 4 – 9, 2013
Hawai‘i Volcanoes National Park**

Once again, the University of Hawaii Professional Assembly (UHPA), your union, wants to support professional development for lecturers and I2 faculty. Toward this end, funds have been allocated for three grants to cover the tuition and airfare costs to this summer's Hawaii Great Teachers (HGT) Seminar. This exceptional and powerful seminar promises to live up to expectations. For more information on the HGT Seminar, go to <http://www.greatteacher.hawaii.edu/Seminar.html>.

Lecturers and I2 faculty who are not receiving full grants from their home campus and who are UHPA members are eligible to apply. Lecturers who are currently teaching half-time or more (*7 credits @ UHM, UHH, UHWO or 8 credits @ CCs*) may apply. Fulltime and halftime I2 faculty may apply. **If you are not an UHPA member, you may join now to become eligible.**¹
